

If you intend to purchase bonsai or bonsai related items at our auction, you must register as a buyer.

To streamline this registration process, you can prepare two forms before you arrive at the auction. These two forms, Live Auction Buyer Sheet and a Silent Auction Buyer Sheet, are attached. Fill in your name and contact information on each form. On the evening of the auction bring your forms to the registration desk and you will be issued a Buyer ID # (a number 1, 2, 3, . . .) This Buyer ID # will identify and connect you with your purchases.

At the end of the live auction, we will accept payment for your purchases. Buyers will be called-up individually to make their payment. Buyers who register early will be called first. Buyer ID #1 will be called first, . . . followed by Buyer #2, #3, . . .

Remember, payment can be made with
